

About Us

The Kaye/Bassman Foundation is a not-for-profit organization created for one primary purpose and whose mission is: "To create and perpetuate an environment of charitable giving, to foster hope and personal growth, to support medical research, and to enhance the lives of people in need."

We began in 2001 as a small grass-roots group of volunteers who saw unmet needs and an opportunity to make a difference. We continue today with the help of our generous sponsors, friends and colleagues to make a difference. In both 2007 and 2008, we were able to donate \$180,000 to our deserving charities, bringing our total donations since inception to nearly \$800,000.

We invite each of you to join us by being a guest at one of our exciting events, helping us get the word out, making a cash contribution, donating a product or service for our auction, becoming a sponsor, or all of the above!

Check out our charities, our events and our sponsors! And while you're at it, check out the pictures of how much fun we have at our events... it's the most fun you'll ever have while supporting two great charities and truly "making a difference".
